Thirteenth Congress
First Regular Session

House Bill No. 2937

Introduced by Honorable Catalino V. Figueroa

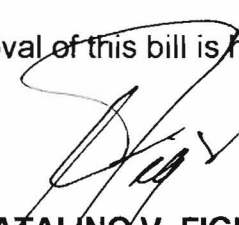

EXPLANATORY NOTE

This bill calls for the establishment of a training center for the development of curricula, innovative training methods and techniques and project studies for multi-level training programs in the Province of Samar.

Unemployment is a national problem that has not spared the Province of Samar. It truly is unfortunate that despite being noted as hard-working people, many *Samareños* find it hard to gain employment. The demand for highly skilled labor is just too stiff that inadequate training and experience has often been the stumbling block to many inexperienced and unskilled workers in Samar.

Therefore, the establishment of a training center comes as a fitting move to upgrade and improve the quality of Samar's manpower resources.

In view of the foregoing, early approval of this bill is highly recommended.
