HOUSE BILL NO. 2966

**Introduced by
HON. VICTOR S. DOMINGUEZ**

EXPLANATORY NOTE

This bill seeks to convert the Mountain Province-Isabela Provincial Road (Butigue-Roxas Section) into a national road. Stretching to a length of forty five (45) kilometers, this provincial road traverses the Barangay of Butigue, Paracelis, Mountain Province to the border between the Mountain Province and Isabela. Along the areas traversed by the road are vast agricultural lands that produce various agricultural products with rice as the lead crop. This road when converted into a national road will embrace the fast transport of agricultural products from the farm to the nearest commercial centers.

Considering the enormous advantages of the conversion of the provincial road into a national road toward poverty alleviation, approval of this bill is earnestly urged.
