First Regular Session

HOUSE BILL NO. 2972

Introduced by HON. DANTON Q. BUESER

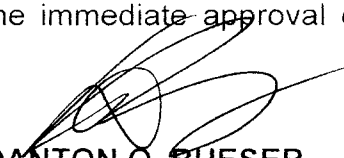

EXPLANATORY NOTE

This bill seeks to establish a National High School at Barangay San Vicente, City of San Pablo in Laguna, to be known as the San Vicente National High School and appropriating funds therefore.

Barangay San Vicente is ten (10) kilometers more or less from the City proper. It is adjacent to Barangays Sta. Cruz Putol, San Ignacio and San Antonio I. It is presently one of the most agriculturally productive barangays in San Pablo City with notable abundance of lanzones and rambutan. The richness of the barangay's agricultural resources has invited the influx of migrants from nearby barangays seeking livelihood opportunities many of them opting to resettle therein. This has brought about a significant rise in the population of young people in the barangay seeking high school education. Many of them however have been denied the opportunity to seek free secondary education because of the lack of a high school in the barangay. Some others study in the public high school nearest to Barangay San Vicente which is seven kilometers away. This entails considerable expenses for travel and food, among others. More often than not, a significant number choose to defer or quit school after a year or two for being unable to sustain the necessary expenses.

Should this measure merit the approval of the Congress and the President, other nearby barangays such as Brgy. San Antonio II, Brgy. San Joaquin, Brgy. Sta. Ana, Brgy. San Gregorio, Brgy. San Francisco, Brgy. Sta. Elena, Brgy. Sto. Niño and certain barangays in the Municipality of Tiaong, Quezon will be greatly benefited.

In view of the foregoing considerations, the immediate approval of this bill is earnestly recommended.
