HOUSE BILL NO. 2973

Introduced by HON. DANTON Q. BUESER

EXPLANATORY NOTE

This bill seeks to establish a national high school in Barangay San Agustin, Municipality of Alaminos, Province of Laguna, to be known as the San Agustin National High School.

Barangay San Agustin is one of the most agriculturally productive barangays in the Municipality of Alaminos with notable abundance of delectable pineapple, sweet lanzones and rambutan. The richness of the barangay's agricultural resources has invited the influx of migrants from nearby barangays seeking livelihood opportunities many of them opting to resettle therein. This has brought about a significant rise in the population of young people in the barangay seeking high school education. Many of them however have been denied the opportunity to seek free secondary education because of the lack of a high school in the barangay. Some other who are able to barely make both ends meet are able to study in high schools in other barangays. This however entails expenses for travel and food, among others. More often than not, a significant number choose to defer school after a year or two for being unable to sustain the necessary expenses.

It is for the aforesaid reasons that the establishment a national high school in Barangay Agustin has become imperative.
