THIRTEENTH CONGRESS

First Regular Session

HOUSE BILL NO. 2974

Introduced by HON. DANTON Q. BUESER

EXPLANATORY NOTE

This bill seeks to establish a national high school in Barangay San Benito, Municipality of Alaminos, Province of Laguna, to be known as the San Benito National High School and to appropriate funds therefor.

Barangay San Benito and its neighboring communities have in recent years burgeoned in population as a result of the influx of families from neighboring barangays and municipalities who have opted to resettle therein hoping to find livelihood in farming. As an anticipated consequence, there has been a significant upsurge of secondary students coming from the area.

As the nearest public secondary school is several kilometers away, a large chunk of the meager income of the families whose source of livelihood come from farming go to sizeable transportation expenses. It is noteworthy that high school students coming from Barangay San Benito and the neighboring communities have to traverse kilometers to attend school. As a result, their time and resources that could be devoted to other endeavors are sacrificed.

It is in view of the foregoing that the establishment of a national high school in the area has become imperative.
