THIRTEENTH CONGRESS

First Regular Session

HOUSE BILL NO. 2976

Introduced by HON. DANTON Q. BUESER

EXPLANATORY NOTE

This bill seeks to establish a national high school in Barangay Banca-Banca, Municipality of Nagcarlan, Province of Laguna, to be known as the Banca-Banca National High School.

Barangay Banca-Banca and its neighboring communities have in recent years burgeoned in population as a result of the influx of families from neighboring barangays and municipalities who have opted to resettle therein hoping to find livelihood in farming. As an anticipated consequence, there has been a significant upsurge of students coming from the area who are seeking high school education.

As the nearest public secondary school is kilometers away, a large chunk of the meager income of the families whose source of livelihood come from farming go to sizeable transportation expenses. It is noteworthy that high school students coming from Barangay Banca-Banca and the neighboring communities have to traverse kilometers to attend school. As a result, their time and resources that could be devoted to other endeavors are sacrificed. More often than not, a significant number choose to quit school after a year or two for being unable to meet the needed expenses.

It is in view of the foregoing that the establishment of a national high school in the area has become imperative.
