Thirteenth Congress
First Regular Session

House Bill No. 2990

Introduced by Honorable Catalino V. Figueroa

EXPLANATORY NOTE

This bill seeks to convert the Lokilokon-Paranas to San Jose de Buan provincial road in the Municipalities of Paranas and San Jose de Buan, Province of Samar into a national road.

Establishment of roads is a step towards progress and development but it should not end at that. Such roads have to be maintained and repaired when necessary to assure that their purposes are fully served.

The Lokilokon-Paranas to San Jose de Buan provincial road in the Municipalities of Paranas and San Jose de Buan was established to promote the economic growth and development of the province. It is the road leading to the different *barangays* of the neighboring municipalities. However, the road has long been in need of repair because of the damages caused by constant use, ordinary wear and tear, and calamities, thereby affecting the progress of the province.

The local government, due to lack of sufficient funds, cannot afford to improve and adequately maintain the said road. There is, therefore, a need to convert this road into a national road so that badly needed repair could be undertaken by the national government and, eventually, hasten the progress of the province.

Approval of this bill is strongly recommended.
