THIRTEENTH CONGRESS
First Regular Session

HOUSE BILL NO. 3011

Introduced by Honorable Samuel M. Dangwa

EXPLANATORY NOTE

This bill seeks to provide for the cementing of the provincial road from Barangay Guinaoang, Suyoc, Taneg of the Municipality of Mankayan to Barangay Gambang of the Municipality of Bakun, Province of Benguet.

The want for more and better roads cannot be underestimated for they are man's link to the rest of civilization. Roads primarily promote communication which is an essential means to progress and development. An increase in the volume of social and economic intercourse among residents within a locality will eventually bring out a fuller coordination of efforts geared towards community development.

The cementing of this provincial road is a necessity for the inhabitants of the said barangays due to the fact that the road linking these two barangays has been rugged, muddy and difficult to traverse especially when rain comes.

The cementing of this road will assure the safety of the people traveling along the road especially those inhabitants who endeavor to transport their farm products from their areas to the commercial and trade centers of their neighboring municipalities of Mankayan, Bakun and Buguias, Province of Benguet.

In view of the foregoing, approval of this bill is highly and earnestly recommended.
