HOUSE BILL NO. 3035

Introduced by Honorable Tomas M. Dumpit

EXPLANATORY NOTE

The Filipino youth today is confronted with so many problems arising from poverty, lack of education, drug abuse vices and many other related crimes which can be traced from the child's weak moral character.

Study shows that the development of one's personality, behavior and attitude towards life starts when he or she was still young. At this tender age, the values formation of the child starts. Therefore, to help build a proper foundation for the development of the youth, proper guidance should be provided by the government at the early stages of their development.

It is no less than the constitution which provides that the constitution which provides that "The State recognizes the vital role of the youth in nation building and shall promote and protect their physical moral, spiritual and social well being. It shall inculcate in the youth patriotism and nationalism and encourage their involvement in public and civic affairs." (Section 13, Article 11 of the 1987 Constitution.)

There is no better way to fulfill the above mandate than the establishment of the Barangay Day Care Center to starts the early and proper development of the youth, our hope for the future.

For the above-stated reasons the passage of this bill is earnestly requested.
