THIRTEENTH CONGRESS
First Regular Session

House Bill No. 3040

Introduced by Honorable TOMAS M. DUMPIT

EXPLANATORY NOTE

Article XIV of the 1987 Constitution states that the State shall protect and promote the right of all citizens to quality education at all levels and shall take appropriate steps to make such education accessible to all. The state shall establish, maintain and support a complete adequate and integrated system of education relevant to the needs of the people and society.

This bill seeks to establish an Elementary School at Barangay Suguidan Norte in the Municipality of Naguilian, Province of La Union.

The absence of an elementary School at Barangay Suguidan Norte makes it difficult for school pupils to attend their daily classes in view of the distance of nearest elementary schools located some kilometers away from their barangay. The growing number of elementary school pupils coming from this barangay makes it necessary that an elementary school also be established in Barangay Suguidan Norte for the greater convenience of these school pupils. The establishment of this elementary school will surely promote the educational welfare of school pupils in the area above-mentioned.

The early passage of this bill is earnestly sought.
