

Republic of the Philippines
HOUSE OF REPRESENTATIVES

THIRTEENTH CONGRESS
First Regular Session

HOUSE BILL NO. 3136

Introduced by HON. MA. AMELITA CALIMBAS-VILLAROSA

EXPLANATORY NOTE

This measure proposes to establish a *Timbangan ng Bayan* Center in all public markets throughout the country via an appropriate amendment to the Consumer Act of the Philippines.

Our crippled economy continues to propel prices of prime commodities to prohibitive heights making it more and more difficult for the average Filipino household to afford nutritious meals on their tables. Grippled with seemingly unending financial crisis, the last thing that our people need is to fall prey to unscrupulous businessmen who give them much less than their precious money's worth.

By establishing a *Timbangan ng Bayan* Center in all public markets nationwide, the buying public will be provided an immediate means of checking the accuracy of the weight and quantity of the goods they are buying while dishonest vendors will think twice before committing any irregularity because of the imminence of getting caught in flagrante delicto.

In view of the foregoing, approval of this measure is earnestly recommended.
