HOUSE BILL NO. 3170

Introduced by HON. LAURENCE B. WACNANG

EXPLANATORY NOTE

This bill seeks to create Barangay Makilo in the Municipality of Tabuk, Province of Kalinga.

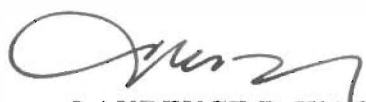

Makilo is a valley surrounded by high mountains in the southeastern portion of Tabuk. It is bounded in the East by the municipality of Quezon, Isabela, and by the municipality of Paracelis, Mountain Province to the South. The major occupation in this locality is farming, and most of the people are working as either farm laborer or government employee. Other livelihood activities are fishing, hunting, backyard gardening, livestock (backyard and ranch), poultry raising, sari-sari store, micro mill and passenger boats.

For the past several years, the residents of Makilo has felt that their needs have not been satisfactorily met by the local government of Tabuk, which is likewise saddled with various budgetary concerns, particularly for the financing socio-economic and development programs.

Henceforth, the residents of Barangay Makilo has clamored for the drafting of a legislative measure that would establish Makilo as a regular barangay in the municipality of Tabuk, with the hopes that this measure would allow their barangay to receive its own share of the Internal Revenue Allotment and would therefore allow the barangay officials to create projects aimed at promoting social and economic development in their area. Their establishment as an independent barangay would also let the people of Makilo to formulate policies, programs and activities that is distinctly suited to meet their unique socio-cultural structure.

Admittedly, the population size of Makilo would not meet the requirement set in the 1991 Local Government Code (eg. 2000 inhabitants). However, Book II, Paragraph 2, Section 386 of the same law provides for an exemption wherein, if the sitio being converted is populated by an indigenous cultural community to which, Makilo categorically belongs.

In view of the forgoing, the passage of this bill is earnestly sought.
