HOUSE BILL NO. 3223

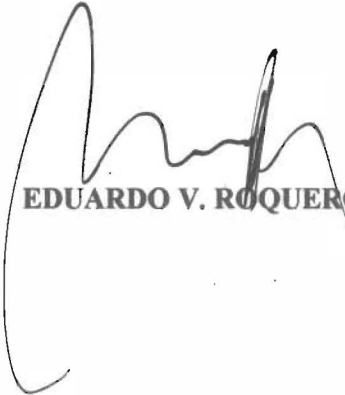

Introduced by Honorable Eduardo V. Roquero, M.D.

EXPLANATORY NOTE

The Constitution mandates the State to provide free elementary and secondary education. With the implementation of Free Secondary Education Act, the number of students wanting to avail of this benefit has increased. But this magnanimity on the part of the state becomes useless in places where there are no school buildings and teachers to speak of, hence the need to establish more public secondary schools.

This bill proposes the establishment of a national high school in Barangay San Pedro, City of San Jose del Monte, Bulacan to answer the clamor of its residents and uplift their social well-being through education.

It is in this light that the approval of this bill is earnestly sought.
