HOUSE BILL NO. 3287

Introduced by HONORABLE GENEROSO DC. TULAGAN

EXPLANATORY NOTE

This bill seeks to provide for the construction of Drainage System in Barangay Banaoang, Municipality of Calasiao, Third District of Pangasinan.

During the rainy season floods are a regular occurrence and often times poses a threat to the safety of pedestrians as well as motorist. Flooding likewise renders roads impassable, immobilizing traffic and causing delays in the transport of merchandise, services and commuters. Floods also cause roads to deteriorate faster, requiring further maintenance. The construction of drainage systems assures a continues flows of water during the rainy season avoiding any stagnant water to accumulate thereby substantially reducing the possibility of flooding.

At present, Barangay Banaoang has no drainage system that protects the roads from flooding. During the rainy season the inhabitants in Barangay Banaoang experience difficulty in traveling and their daily activities are hampered because of flooding. Drainage System will protect roads from flooding thereby ensuring the smooth flow of traffic and assure the safety of pedestrians as well as motorists.

Along this premise, approval of this bill is earnestly sought.
