HOUSE BILL NO. 3429

Introduced by the Hon. Robert Ace S. Barbers

EXPLANATORY NOTE

This bill seeks for the creation and establishment of the Bunyasan National High School as a new secondary school in Bunyasan, Malimono, Surigao del Norte.

BUNYASAN NATIONAL HIGH SCHOOL of Bunyasan will become the Mid-service point of two-feeder barangay elementary schools, namely : Cansayong Elementary School and Hanagdong Elementary School. Presently, the Bunyasan National High School has five volunteer teachers in service as of this current school year. The school is located in a donated one (1) hectare lot, situated at Bunyasan, Malimono, Surigao del Norte.

Endorsement of this bill will provide the students of brgy. Bunyasan, Cansayong and Hanagdong an alternative school that is accessible to their respective barangays. The creation and establishment of this school will minimize the risks and inconvenience encountered daily by the residents and students of these nearby barangays in going to school. This will also generate a lot of savings for the parents of these students to enable them to sustain the educational expenses of their children.

The creation of this National High School in Bunyasan will offer 100% of the graduates of Bunyasan Elementary School a chance to proceed to a higher secondary education without being burdened with transportation problems, since the distance from Bunyasan to another barangay high school is almost 2.2 km. with no available transportation.

With the government's thrust of providing equal access to free and better education for all, support for this bill is definitely crucial.

For this reason, approval of this bill is earnestly sought.
