House Bill No. 3482

**Introduced by Honorable Catalino V. Figueroa**

**EXPLANATORY NOTE**

This bill provides for the construction of a feeder road from Buri Airport to *Barangay San Roque* in the Municipality of Catbalogan, Province of Samar.

The road in *Barangay San Roque* from Buri Airport is in dire need of construction. The poor condition of the present clay road has brought inconvenience to the people of the *barangay* and is adversely affecting the economic activities in the area. The residents are clamoring for the immediate repair of the roads and pathways. It is hoped that, through this proposed measure, economic and social progress in the area will be promoted and enhanced.

Buri Airport is nearing its completion. Once finished, traffic to and from the said airport from and to different parts of Samar will be heavier than usual. The construction of a feeder road in *Barangay San Roque* en route to the airport will truly bring easy access and convenience.

Approval of this bill, therefore, is earnestly hoped.
