**EXPLANATORY NOTE**

This bill provides for the construction of a pathway and footbridge going to the public cemetery in Barangay Bagacay, Municipality of Daram, Province of Samar.

A pathway and footbridge going to the public cemetery need to be constructed in Barangay Bagacay since the population of the said locality is increasing and the use of the said pathway and footbridge has become a necessity. The poor condition of the road leading to the public cemetery has brought inconvenience to the people of the barangay and is adversely affecting the economic activities in the area since it can also be used as a means to go to other nearby barangays. The residents are clamoring for the immediate construction of a pathway and footbridge. It is hoped that, through this proposed measure, economic and social progress in the area will be promoted and enhanced.

Approval of this bill, therefore, is earnestly hoped.
