Thirteenth Congress
First Regular Session

House Bill No. 3499

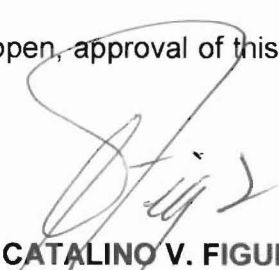

Introduced by Honorable Catalino V. Figueroa

EXPLANATORY NOTE

This bill provides for the construction of a footbridge at Tinago Creek in *Barangay 1*, Municipality of Hinabangan, Province of Samar.

A footbridge at Tinago Creek needs to be constructed in *Barangay 1* since it is will be used by students in going to the school which is located in the *poblacion* of Hinabangan. For this purpose, a footbridge has become a necessity. The poor condition of the road trail in Tinago Creek leading to the other places in the town has made it hard for the people and school children to cross the said creek. During heavy rains, the water level in the creek increases thereby posing danger not only to children but to the people who cross it.

So as to prevent accidents to happen, approval of this bill, therefore, is earnestly hoped.
