House Bill No. 3525

---

Introduced by Honorable Catalino V. Figueroa

**EXPLANATORY NOTE**

This bill seeks to provide for the construction of a river control project under the concrete bridge in *Barangay* Bangon, Municipality of Pinabacdao, Province of Samar.

Pinabacdao is one of the progressive municipalities in the Province of Samar. The Municipality of Calbiga bound it on the north; on the east by the Municipality of Borongan, Eastern Samar; on the west by the Municipality of Villareal and on the south by the Municipalities of Sta. Rita and Basey. It is blessed by nature with a good climate favorable to agriculture.

A river control project needs to be constructed in the said town for the purpose of protecting the river marine life and the surrounding *barangays* against the hazards of siltation and flood. For years now, the town has been yearning for a river control project.

Thus, approval of this bill is highly recommended.
