

Republic of the Philippines
HOUSE OF REPRESENTATIVES

Thirteenth Congress
First Regular Session

House Bill No. 3529

Introduced by Honorable Catalino V. Figueroa

EXPLANATORY NOTE

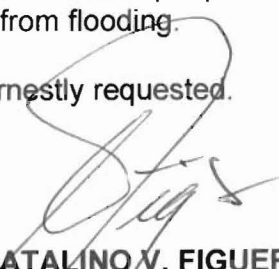

This bill seeks to provide for the concreting of the road and the construction of a drainage canal at 5th Street in *Purok 4, Barangay Muñoz*, Municipality of Catbalogan, Province of Samar.

Barangay roads are beneficial to the livelihood of the people in the rural areas because they serve as avenues in transporting farm products to the markets. They ensure, at all times, especially in cases of emergency, an available access to the town proper where a medical clinic, law enforcement office and other government agencies are mostly located.

Moreover, a drainage system will prevent floods from happening in certain areas where water goes up easily in slightest drop of rain.

The concreting of the road and the construction of a drainage canal at 5th Street in *Purok 4, Barangay Muñoz* in Catbalogan, Samar assumes importance in the sense that it will be easier for the people to go about with their daily economic activities and be safe from flooding.

Approval of this bill is, therefore, earnestly requested.
