HOUSE BILL NO. 3573

Introduced by **HON. JUAN MIGUEL F. ZUBIRI**

EXPLANATORY NOTE

This bill seeks to convert the Land Transportation Extension Office located in Don Carlos, Province of Bukidnon into a regular Land Transportation District Office to be known as the Land Transportation District Office, Don Carlos, Bukidnon.

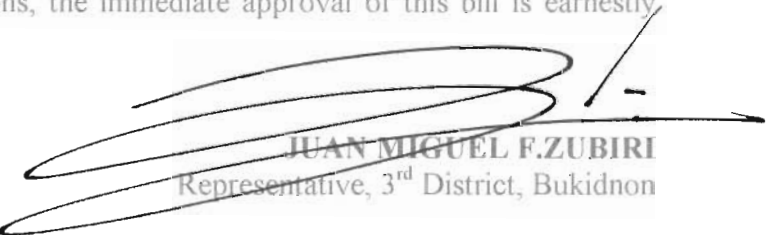

The upgrading of the LTO Extension Office has a three-fold purpose: 1) the rendering of better public service; 2) rational viability; and 3) economic viability.

The Extension Office has long served the southern municipalities of Bukidnon and the nearby provinces of Lanao del Sur and North Cotabato since 1979.

This measure is intended to address the logistical and administrative difficulties experienced by the subject extension office due to the increasing population as well as motor vehicle increase in the locality as well as the nearby provinces it is servicing.

This bill will therefore provide a more effective, speedy and efficient supervision and administration of motor vehicles and driver license transactions.

In view of the foregoing considerations, the immediate approval of this bill is earnestly sought.
