

Republic of the Philippines
HOUSE OF REPRESENTATIVES
Quezon City

THIRTEENTH CONGRESS
First Regular Session

House Bill No. 3609

Introduced by **REP. BENASING O. MACARAMBON, JR.**

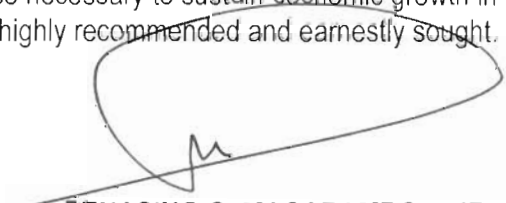

EXPLANATORY NOTE

Article XIV, Section I of our constitution mandates the State to protect and promote the right of all citizens to quality education, and take appropriate steps to make such education accessible to all.

This Constitutional mandate remains unfulfilled in Barangay Padas in the Municipality of Pagayawan, despite the fact that Padas is one of the biggest barangays in the town.

In view of the foregoing, this bill seeks to establish a public elementary school to be known as Padas Elementary School, consisting initially of at least eight (8) one-classroom school buildings, in Barangay Padas, Municipality of Pagayawan in the Province of Lanao del Sur.

Because this measure will address prevailing inadequacies, and ultimately allow for the development of a competent human resource base so necessary to sustain economic growth in the barangay, town, province and region, its approval is highly recommended and earnestly sought.
