First Regular Session

House Bill No. 3610

Introduced by **REP. BENASING O. MACARAMBON, JR.**

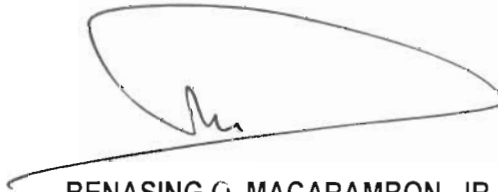

EXPLANATORY NOTE

The provincial road linking the towns of Lumbatan and Malabang in the Province of Lanao del Sur has been closed for several years now because of its acute state of despair.

This 35-kilometer unserviceable stretch, a main thoroughfare, has severely limited the flow of goods and services between and among the towns in the province. Of course, this has had dire implications on economic activity and growth in Lanao del Sur.

This bill, therefore, hopes to address the urgent need to open the Lumbatan-Malabang Provincial Road by seeking its rehabilitation and/or restoration.

Because this measure will substantially enhance the access to vital goods and services of the people of Lanao del Sur, its approval is urgently sought.
