First Regular Session

House Bill No. 3611

Introduced by **REP. BENASING O. MACARAMBON, JR.**

EXPLANATORY NOTE

The Municipality of Sultan Gumander in the 2nd District of Lanao del Sur is a populous coastal town. Its residents rely on fisheries as a major economic activity and primary source of income.

The transport, however, of fish and other marine produce from Sultan Gumander to the larger markets in Cotabato City, Iligan City and other major cities has been severely hampered by the lack of adequate port facilities.

This bill, therefore, seeks to establish a concrete wharf in the town of Sultan Gumander.

In view of the economic benefits that such a wharf will bring to this coastal town, the approval of this measure is earnestly sought.
