Thirteenth Congress
First Regular Session

House Bill No. 3619

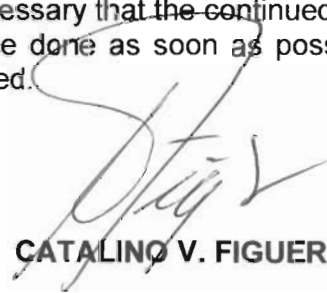

Introduced by Honorable Catalino V. Figueroa

EXPLANATORY NOTE

This bill provides for the continued cementing of the wharf in *Barangay* Guintampilan, Municipality of Daram, Province of Samar.

Barangay Guintampilan is located at the southern tip of the island-municipality of Daram and faces the route to Tacloban City. The wharf that was constructed and cemented covers only a portion of its actual length so much so that the sea is slowly eroding the area where no cement has been put in place yet. Since the people of *Barangay* Guintampilan rely on sea vessels for their daily activities, it is highly imperative that the said *barangay* must have a safe and complete wharf of its own. During typhoons and heavy rains, water from the sea enters the hollow portions of the wharf thereby causing damages and subsequent destruction to the said property.

To remedy the situation, it is necessary that the continued cementing of the wharf in *Barangay* Guintampilan be done as soon as possible. Hence, approval of this bill is earnestly requested.
