

Republic of the Philippines
HOUSE OF REPRESENTATIVES
Quezon City, Metro Manila

Thirteenth Congress
First Regular Session

House Bill No. 3649

Introduced by Honorable Catalino V. Figueroa

EXPLANATORY NOTE

This bill seeks for the construction of a wharf extension in *Barangay* Boblaran, Municipality of Zumarraga, Province of Samar.

The wharf of *Barangay* Boblaran has been in service for several decades now. It was built at a time when the volume of traffic of sea vehicles was relatively light. With the passage of time, sea transportation in the area increased not only in size but in numbers, too. Hence, the considerable increase in traffic from light to heavy. This factor has transformed the said wharf into a crowded one and is now unable to accommodate a number of passenger and fishing motorized boats especially the bigger ones.

Considering that Boblaran is a coastal *barangay* and is located at the other side of the island-municipality of Zumarraga, the wharf plays a major part in the economic activities of the locality and has, in fact, become an integral component of trade and commerce. The need, therefore, to extend the wharf so as to give impetus to the local economy has become a necessity.

In view thereof, support and approval of the bill is earnestly sought.
