HOUSE BILL NO. 3712

Introduced by **HON. ANTONIO C. ALVAREZ**

EXPLANATORY NOTE

This bill seeks the conversion of the Panlaitan Barangay High School in Bgy. Panlaitan, Municipality of Busuanga, Province of Palawan into a national high school to be known as the Panlaitan National High School.

Bgy. Panlaitan is an island barangay that is about an hour away by banca from the center of the Municipality of Busuanga where the nearest high school is located. It is a fishing village with a rapidly growing population which as of the 2000 census numbered more than 2,000 residents.

Because of its distance from the nearest secondary school, the barangay government of Panlaitan, with the full support of its constituents, undertook the opening of a barangay high school which will cater to the needs of its young people.

For several years, the school has relied on the meager support of the municipal and barangay governments for its operations. Needless to say, the budgetary support is severely insufficient thus adversely affecting the quality of instruction and the efficient administration of the school.

The conversion of the school into an independent and nationally-funded high school will definitely improve its situation. Additional teachers may be hired and appropriate instructional materials and facilities may be acquired for the use of the faculty and students alike.

In view of the foregoing, the immediate enactment of this bill is earnestly sought.
