Thirteenth Congress
First Regular Session

House Bill No. 3724

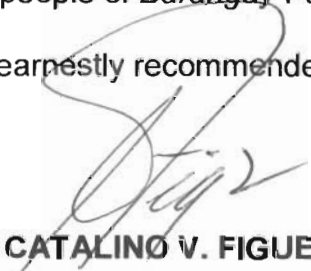

Introduced by Honorable Catalino V. Figueroa

EXPLANATORY NOTE

This bill seeks for the repair and rehabilitation of the Parasanon timber bridge in *Barangay* Parasanon, Municipality of Pinabacdao, Province of Samar.

At present, the residents of *Barangay* Parasanon are using a ruined timber bridge that is important to their daily activities. The present situation of the timber bridge makes it very dangerous for people to traverse the said bridge especially during rainy months. Oftentimes, during this season, *Barangay* Parasanon cannot be reached because the present bridge is slippery and, as a precautionary measure, people avoid using the same. Thus, the *barangay* is sometimes isolated from its neighboring places resulting to its low revenue income and slow progress. The repair of the ruined timber bridge will lessen any threat to those who use it especially the people of *Barangay* Parasanon.

Hence, the approval of this bill is earnestly recommended.
