House Bill No. **3735**

Introduced by **Representative Renato J. Unico, Jr.**

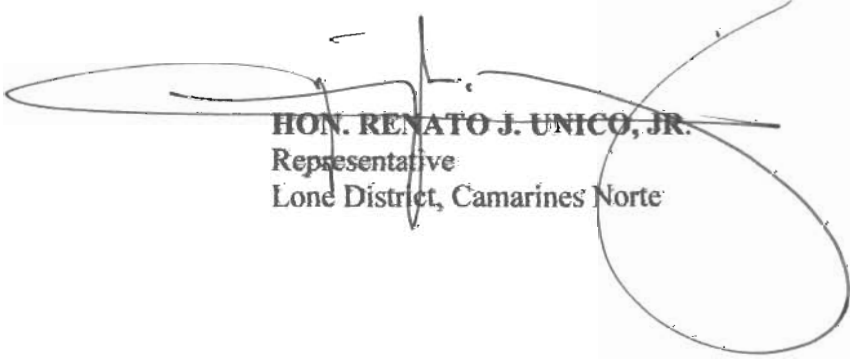

EXPLANATORY NOTE

This bill seeks to convert the Alawihao High School located in the Municipality of Daet, province of Camarines Norte, into a National High School to be known as the Alawihao National High School.

Alawihao High School has been providing quality and accessible education since SY-2001 through the help of the Municipal Government with the cooperation of the Barangay Government and the Parents and Teachers Association. This school is a strategic location since it is situated in the Capital Town of the province and considering the presence of filler elementary schools in nearby barangays which will be the source of students, it is expected that the rate of future enrollees will rise steadily in the coming years.

At present, the Local Government of Daet is funding the maintenance and funding of the school, but due to the limited funds the facilities and equipments like classrooms, tables, chairs, textbooks, etc. could not be upgraded and besides the need for additional teachers has been set aside due to financial constraints.

In view of the foregoing considerations, the passage of this bill is earnestly requested.
