Thirteenth Congress
First Regular Session

House Bill No. 3751

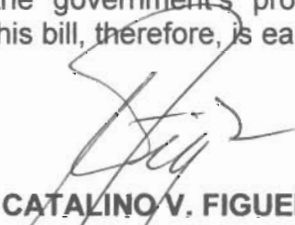

Introduced by Honorable Catalino V. Figueroa

EXPLANATORY NOTE

This bill provides for the construction of the Maydaha footbridge in *Barangay Malobago*, Municipality of Motiong, Province of Samar.

A footbridge in Maydaha in *Barangay Malobago* needs to be constructed since it is will be used by the residents of the said area in carrying out their daily economic activities. For this purpose, a footbridge has become a necessity. The poor condition of the road trail leading to other places in the said town has made it hard for the people in their daily living. During heavy rains, mud makes it even harder for them to transport from one place to another.

In order to give credence to the government's promise of giving convenience to the people, approval of this bill, therefore, is earnestly hoped.
