

Republic of the Philippines
HOUSE OF REPRESENTATIVES

Thirteenth Congress
First Regular Session

House Bill No. 3753

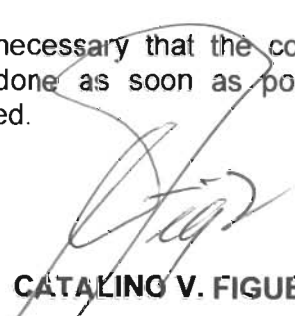

Introduced by Honorable Catalino V. Figueroa

EXPLANATORY NOTE

This bill provides for the completion of a 60-meter breakwater in *Barangay Buntay*, Municipality of Zumarraga, Province of Samar.

Barangay Buntay is located near the *poblacion* of the island-municipality of Zumarraga and faces Zumarraga-Daram Strait. The breakwater that was constructed covers only a portion of its actual length so much so that the sea is slowly eroding the area where no cement has been put in place yet. Since *Barangay Buntay* is located facing a straight that is sometimes rough in times of typhoon, it is highly imperative that the said *barangay* must have a safe and complete breakwater of its own. During heavy rains and high tide, sea water reaches the shore thereby causing damages and subsequent destruction to property.

To remedy the situation, it is necessary that the completion of the breakwater in *Barangay Buntay* be done as soon as possible. Hence, approval of this bill is earnestly requested.
