Introduced by **HON. ANTONIO C. ALVAREZ**

EXPLANATORY NOTE

This bill seeks the establishment of a national high school in Barangay Concepcion, Municipality of Agutaya, Province of Palawan to be known as the Concepcion National High School.

Brgy. Concepcion is an island barangay that is about twenty (20) nautical miles from the center of the Municipality of Agutaya where the nearest and the town's only secondary school is located. It is a fishing village and one of Palawan's leading producers of seaweeds, with a rapidly growing population which as of 2000 census numbered more than 3,000 residents distributed among 500 households.

With its increasing population, there are now a substantial number of students of high school age. However, many of them have decided not to continue with their education because of the distance of the nearest secondary school and the expense and danger that it entails for the students and parents alike.

As a result, the barangay government is now initiating the establishment of the long-awaited and badly-needed secondary school with the full support and cooperation of the residents as well as the officials of the municipal government and the Department of Education, and their representative in the House of Representatives.

In view of the foregoing, the immediate enactment of this bill is earnestly sought.
