Thirteenth Congress

House Bill No. 3797

Introduced by Honorable Catalino V. Figueroa

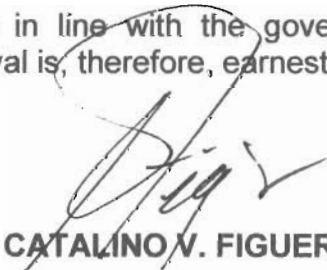

EXPLANATORY NOTE

This bill seeks to provide for the construction of a concrete mini-fence surrounding *Barangay* San Jose, Municipality of Hinabangan, Province of Samar.

Barangay San Jose in the Municipality of Hinabangan is one place that is considered as one of the cleanest and the most orderly *barangays* in the said town. It boasts of people who are disciplined and who have care for their place.

Since it is open to people from other *barangays* who visit their place, it has also become an open pit to those who do not have the care and concern for their *barangay*. It is not only open to people. It is also an area where animals from other *barangays* come to visit. Stray dogs, cats and chicken from other places litter the area. It is in this light that a concrete mini-fence is proposed so as to maintain the cleanliness and peace among the residents of *Barangay* San Jose.

The proposed measure is also in line with the government policy of promoting rural development. Its approval is, therefore, earnestly recommended.
