HOUSE BILL NO. 3808

Introduced by Honorable Roger G. Mercado

EXPLANATORY NOTE

This bill seeks to provide improvement of the road from Barangay Basak to Barangay Matin-ao in Maasin City, Province of Southern Leyte.

Roads provide economic integration and serve as vital conduits for local commerce between barangays, municipalities and cities. They provide physical access for farmers or residents to a road network capable of increasing commercialization and modernization of agriculture as well as providing mobility for educational, health and employment purposes. Thus, the roads should always be maintained at its optimal durability to allow access for a longer period of time.

The improvement of the road under the proposed measure will afford convenient travel to the residents of this city and its barangays.

In view of the foregoing, approval of this bill is earnestly recommended.
