HOUSE BILL NO. 3984

Introduced by Honorable Roger G. Mercado

EXPLANATORY NOTE

This bill seeks to provide for the construction of an administration building of Southern Leyte Resettlement Project in Barangay Libas, Municipality of Hinunangan, Province of Southern Leyte.

The proposed administration building has long been the dream project of the residents of Barangay Libas. The building is envisioned to promote a holistic development of the area, as it will host the offices of the people who run the resettlement project, its library and medical clinic. It would also provide an appropriate venue for important meetings and medical consultations involving residents therein. The building will also provide a comfortable and convenient place for officials, employees and residents to do some readings and research during their free time.

In view of the foregoing, approval of this bill is earnestly requested.
