HOUSE BILL NO. 4228

Introduced by Honorable Roger G. Mercado

EXPLANATORY NOTE

This bill seeks to establish a cattle breeding station and national dairy stock farm in Barangay Kahupian, Municipality of Sogod, Province of Southern Leyte.

The Municipality of Sogod is an ideal place for cattle breeding and dairy stock farm purposes. Its strategic location is blessed with large tracts of fertile agricultural and grazing lands suited for cattle raising and production. Thus, the establishment of a cattle breeding station and national dairy stock farm in Barangay Kahupian will inspire more people to venture on cattle-raising industry which requires little capital and a readily accessible market. This productive endeavor will alleviate and improve the economic condition of the people of Sogod and address the need to devise more income generating projects for its residents.

In view of the foregoing considerations, approval of this bill is strongly recommended.
