HOUSE BILL NO. 4334

Introduced by HON. MA. AMELITA CALIMBAS-VILLAROSA

EXPLANATORY NOTE

This bill seeks to upgrade the San Jose District Hospital in Barangay Murtha, Municipality of San Jose, Province of Occidental Mindoro by increasing its bed capacity from twenty-five (25) to one hundred (100) beds and the establishment of a rehabilitation center adjunct thereto that will cater to the convalescent needs of the aging populace of the province.

The age-old adage "*health is wealth*" has never for a moment lost its significance but has, in fact, proven to be most important in view of the beleaguered Philippine economy that presently reels from the scourge of poverty. Quality health service that is both accessible and affordable should be one of the top government priorities. It is imperative that state-of-the-art public health facilities be established and existing ones improved. In view of the foregoing, approval of this bill is strongly recommended.
