

Republic Of the Philippines
HOUSE OF REPRESENTATIVES
Quezon City

THIRTEENTH CONGRESS
First Regular Session

House Bill No. 4391

Introduced by Rep. TEOFISTO L. GUINGONA III

EXPLANATORY NOTE

This bill seeks the separation of Bukidnon National High School – Annex San Jose (BNHS-Annex San Jose) from Bukidnon National High School and the conversion of the same annex into an independent national high school recognized as San Jose National High School, a distinct and separate entity in the National Budget.

The BNHS-Annex San Jose, as an extension of the Bukidnon National High School, has been in existence and operation for two (2) school years (SYs) now. BNHS-Annex San Jose started functioning in SY 2003 to 2004 with three (3) classrooms to accommodate one hundred and eighty (180) first year students and three (3) faculty members. In the following SY 2004 to 2005 the same high school annex absorbed three two hundred ninety five (295) first year and second year students guided by six (6) faculty members.

With a 64% increase of enrollees in the past two years, and a continued projected increase in enrollment for the current SY 2005-2006 to accommodate both existing as well as new first year students, operating expenses, specifically that for teachers salaries, have and can be expected to continually increase. Existence of the BNHS-Annex San Jose is supported by the belief of the citizens of Barangay San Jose and their nearby neighbors in Barangays Magsaysay, Mabuhay and Laguitas that the secondary education offered in the same annex high school is convenient, cost effective and one that they may call distinctly their own.

The conversion of the above mentioned annex into an independent San Jose National High School, with its own budget, will ensure that the quest for a secondary education of the youth in Barangay San Jose and nearby barangays shall survive and have a life of its own.

It is in this context that approval of this bill is intently sought.
