First Regular Session

HOUSE BILL NO. 4398

Introduced by HONORABLE LUIS R. VILLAFUERTE

EXPLANATORY NOTE

The Tinago High School started as an annex of the Camarines Sur National High School. It has been operating since school year in June 2002. Then DepEd Secretary Edilberto C. de Jesus approved the establishment of this public secondary school for having complied with the requirements per DECS ORDER NO. 5, series of 1989. It was understood that pending inclusion of the budgetary requirements of this annex school in the national budget allocated to the Bicol Region, the financial requirements for the operation of the school shall be borne by the local government of the City of Naga, an independent component of the Province of Camarines Sur

The present complement of eleven (11) teachers with eight (8) classrooms served one hundred twenty-nine (129) students in school year 2002 to 2003, two hundred eighty (280) students in school year 2003 to 2004, and four hundred eighty (480) students in school year 2004 to 2005. The yearly rate of increase in enrollees has necessitated the construction of new and additional school buildings for Tinago National High School.

By converting Tinago High School into an independent national high school, it shall be recognized as a separate entity in the National Budget, and receive appropriations for the construction of its own buildings, the salary of its personnel and the development and maintenance of its facilities. This will ensure its survival and development as a public educational institution.

This bill seeks the recognition of the Tinago High School as one of the independent high schools of Naga City and as such, be recognized as a separate entity in the National Budget.

Given the merits of this bill, its early approval is earnestly requested.
