HOUSE BILL NO. 4484

Introduced by HONORABLE LUIS R. VILLAFUERTE

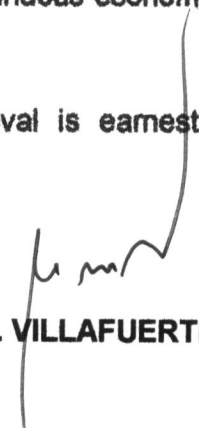

EXPLANATORY NOTE

This bill seeks to create a road network linking the Municipality of Bombon to the City of Naga in the Province of Camarines Sur by connecting the Provincial Road passing through Barangays San Isidro, San Antonio and Siembre with the National Roads linking and traversing Barangays Siembre, Pacol, San Filipe, Liboton, Bagumbayan Norte, Haring, San Agustin, Baras, San Francisco, Sto. Tomas, San Miguel, San Pantaleon, San Isidro, San Juan, Monserat, San Roque and San Isidro, totaling ten and twenty two-hundredths kilometers (10.22 km) and converting them into a National Circumferential Road.

This road will serve as an alternative route into and out of Naga City, via the hinterland barangay of Siembre, and passing through key barangays in the Municipalities of Magarao and Bombon.

With the Bombon-Pacol Circumferential Road converted into a National Road, this vital road segment could be improved and maintained from funds of the National Government, assuring the steady flow of traffic, goods and services to and from the City of Naga, and ensuring the continuous economic development of the area, by promoting trade and commerce.

Considering the merits of this bill, its early approval is earnestly requested.
