HOUSE BILL NO. 4486

Introduced by HONORABLE LUIS R. VILLAFUERTE

EXPLANATORY NOTE

This bill seeks to convert the stretch of road that commences in the Barangay of Baras in the Municipality of Canaman, to the Barangay of San Vicente in the Municipality of Canaman, and linking with Naga City through Queborac, Bagumbayan Sur in Naga City and thence to Sta. Cruz Road, also in Naga City, totaling two kilometers (2.0 km) into a National Secondary Road.

This road will serve as an alternative route to Naga City from the neighboring Municipality of Canaman, thereby decongesting traffic in the primary national highway through this national secondary road.

With such stretch of road converted into a National Secondary Road, this vital road segment could be improved and maintained from funds of the National Government, assuring the steady flow of traffic, goods and services to and from the City of Naga, and ensuring the continuous economic development of the Province, by promoting domestic trade and commerce.

Considering the merits of this bill, its early approval is earnestly requested.
