Republic of the Philippines
HOUSE OF REPRESENTATIVES
Quezon City

Thirteenth Congress
First Regular Session

HOUSE BILL NO. 4496

Introduced by HONORABLE LUIS R. VILLAFUERTE

EXPLANATORY NOTE

This bill seeks to create a road network linking the Municipalities of Canaman, Magarao, Bombon, and Calabanga with the City of Naga in the Province of Camarines Sur by connecting the Provincial Road passing through Barangays Pagatpat, Bigaas, Fabrica, Sibao and Panicuason in the Municipality of Calabanga and with the National Roads linking and traversing Barangays Carolina, Pacol, San Felipe, Liboton, and Bagumbayan Norte in the City of Naga, through the Barangays of Haring, San Agustin and Baras in the Municipality of Canaman, through the Barangays of San Francisco, Santo Tomas, San Miguel, San Pantaleon, San Isidro, San Juan and Monserat in the Municipality of Magarao, through the Barangays of San Roque, San Jose and San Isidro in the Municipality of Bombon, and to Barangay Quipayo in the Municipality of Calabanga, and converting them into a National Circumferential Road.

This road traverses twenty five Barangays, linking four Municipalities with the City of Naga, enabling the remote Barangays of the area to transport varieties of produce to the city proper within a reasonable time. The Barangay of Carolina, which is one of the Barangays in Naga City with the most development potential for tourism, will enjoy increased access through this road.

With the such Circumferential Road converted into a National Road, this vital road segment could be improved and maintained from funds of the National Government, assuring the steady flow of traffic, goods and services to and from the City of Naga, thus ensuring the continuous economic growth and development of the area by promoting tourism, trade and commerce.

Considering the merits of this bill, its early approval is earnestly requested.
