HOUSE BILL NO. 4499

Introduced by HONORABLE LUIS R. VILLAFUERTE

EXPLANATORY NOTE

This bill seeks to create a road network linking the Municipality of Pili with the City of Naga in the Province of Camarines Sur by connecting the Provincial Road passing through Barangays La Purisima, Del Rosario, Curry and Tinangis in the Municipality of Pili and with the National Roads linking and traversing Barangays San Vicente, San Isidro, San Agustin, San Jose, and Cadlan in the Municipality of Pili, and converting them into a National Circumferential Road.

This road mainly serves the Orgullo Brigade of the 9th Infantry Division of the Philippine Army, allowing it maneuverability and access to its assigned area of responsibility. Further, this road will increase the accessibility of farmers and their produce to the National Roads going to Naga City, and ease the travel going to and from the Tinangis Penal Colony.

With the such Circumferential Road converted into a National Road, this vital road segment could be improved and maintained from funds of the National Government, assuring the steady flow of traffic, goods and services as well as military personnel and material, between the Municipality of Pili and the City of Naga, thus ensuring continuous economic development and peace and order within the area.

Considering the merits of this bill, its early approval is earnestly requested.
