

Republic of the Philippines
HOUSE OF REPRESENTATIVES

Thirteenth Congress
Second Regular Session

House Bill No. 4515

Introduced by Honorable Catalino V. Figueroa

EXPLANATORY NOTE

This bill seeks to provide for the construction of a canteen at the Cansolabao Elementary School in *Barangay* Cansolabao, Municipality of Hinabangan, Province of Samar.

A school canteen is as equally important as a classroom. While some may say that a school canteen, being but a place for eating, is not important. It should be remembered that one could not effectively learn in class with an empty stomach. Children, especially elementary pupils, go to the school canteen during recess and lunch break. The school canteen, aside from serving clean food, is also a safe place for the children to stay during meal breaks.

Unfortunately, however, the pupils of Cansolabao Elementary School are deprived of the services of a school canteen. Parents, teachers and students alike are seeking for a construction of a canteen in the school.

In view of the foregoing, the approval of this bill is earnestly requested.
