

Republic of the Philippines
HOUSE OF REPRESENTATIVES
Quezon City, Metro Manila

THIRTEENTH CONGRESS
Second Regular Session

HOUSE BILL NO. 4614

Introduced by **Honorable DEL R. DE GUZMAN**

EXPLANATORY NOTE

This bill seeks to convert the city road, G. Fernando Avenue (formerly A. Tuazon Street), traversing Barangays Sto, Niño, Sta. Elena and San Roque in the Lone District of the City of Marikina, into a national road.

Roads enhance economic activities as they promote mobility and accessibility of the people, thus, opening a horizon of economic possibilities, business opportunities and better employment. Roads which have been established need to be maintained and repaired when necessary to assure that their purposes are fully served.

By converting this into a national road, it would transfer the responsibility of maintenance to the national government through the Department of Public Works and Highways, thus channeling the resources of the city government earmarked for the maintenance of the said road to more important projects and programs of the city government.

Thus, the conversion of the said road would greatly improve the quality of life of the people in terms of economic activity, easy accessibility and convenience by means of good roads, at the same time allowing the city government to reallocate its funds for the creation of better projects in furtherance of the same.

In view thereof, the early approval of this bill is strongly recommended.
