

Republic of the Philippines

Thirteenth Congress
Second Regular Session

House Bill No. 4650

Introduced by Honorable Catalino V. Figueroa

EXPLANATORY NOTE

This bill seeks to construct a concrete stage for the Dolores Elementary School in the *Barangay Dolores*, Municipality of San Sebastian, Province of Samar.

The Dolores Elementary School has, for many years now, faithfully served the needs of its students by giving them the necessary basic facilities that the school can offer. It is an ordinary public elementary school by ordinary standards. But it is incomplete for it does not have a stage where school programs and graduation can be held. Students hold their activities in classrooms or in the open space in between school buildings.

It has been the dream of the school's students, teachers, administrators and parents that there be constructed a stage in their school so that they can have meaningful activities done onstage.

In view of its importance, passage of this bill is highly recommended.
