HOUSE BILL No. 4724

INTRODUCED BY HON. FLORENCIO T. MIRAFLORES

EXPLANATORY NOTE

This bill seeks to separate the Altavas National High School - Annex in Barangay Lupo, Municipality of Altavas, Province of Aklan from the Altavas National High School and converted into an independent national high school to be known as the Lupo National High School and appropriating funds therefor.

Section 17, Article II of the Philippine Constitution provides that the State shall give priority to education, science and technology, arts, culture and sports to foster patriotism and nationalism, acceleration social progress and promote total human liberation and development. To fulfill this constitutional mandate, the State allocates the biggest portion of its budget to education. This is in recognition of the power of education to equalize opportunities for the people. However, equalizing access to education has a long way to go. While the mandate is to provide free elementary and secondary education, the extent of its implementation is far from ideal. The private sector still accounts for a considerable percentage of the burden of educating our youth inasmuch as facilities and manpower are lacking.

In the Municipality of Altavas, Province of Aklan, for instance, public secondary institutions can hardly meet the growing number of enrollees such that the Altavas National High School has to set up an Annex in Barangay Lupo to accommodate the growing number of high school entrants. But given the trend in the enrolment, the present facilities of the Annex School can no longer sustain the demand. There is therefore the need to establish an independent national high school that would be able to absorb the student-enrolees.

In view of the foregoing premises, approval of this bill is earnestly sought.
