

Republic of the Philippines
HOUSE OF REPRESENTATIVES
Quezon City, Metro Manila

Thirteenth Congress
Second Regular Session

House Bill No. **4730**

Introduced by Honorable Catalino V. Figueroa

EXPLANATORY NOTE

This bill seeks to provide for the repair/rehabilitation of the Mogdo Primary School in *Barangay Mogdo*, Municipality of Hinabangan, Province of Samar.

School buildings and other structures are very important in the everyday learning and schooling of children especially those in the elementary level. It is during this stage in a student's life when he/she learns the basics in education, in particular and in life, in general. It can be considered as a part of the foundation for a good basic education.

The Province of Samar is in the path of storms and typhoons which devastate many structures including school buildings, classrooms and other school-based edifices aside from other properties.

Many schools have experienced destruction mostly from natural forces that have visited our country. Mogdo Primary School is not spared from all these. The growing number of students in *Barnagay Mogdo* is another factor why repairs and rehabilitation should be done the soonest time possible. Add to this is the good performance of the students of Samar in the National Achievement Test. This will be a good reward for this exemplary record.

In order to deliver better education to the youth, this representation earnestly seeks for the approval of this bill.
