THIRTEENTH CONGRESS
Second Regular Session

HOUSE BILL NO. 4787

Introduced by **HONORABLE SUHARTO T. MANGUDADATU**

EXPLANATORY NOTE

Education is a right not a privilege. Section 5, Article XIV of the Constitution directs the State to give the highest priority to education. The State guarantees the right of every Filipino to quality education at all levels and required the State to take appropriate steps to make education accessible to all.

Access to a free high school education is the right accorded by the Constitution to all Filipino youth. However, this has not been realized in Barangay Central Mangilala, President Quirino, Sultan Kudarat.

The creation of a new national high school will provide people in this part of the municipality an accessible free high school education. A secondary school within the barangay shows that the government is serious in its desire to provide a free basic education for all Filipinos.

It is on this premise that the creation of Central Mangilala National High School is being sought considering its great importance to the populace especially to students and parents who cannot afford secondary education offered only by private.

The approval of this bill is therefore recommended.
