House Bill No. 4946

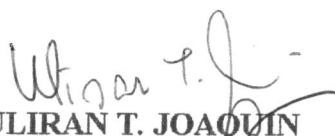

Introduced by Honorable Uliran T. Joaquin

EXPLANATORY NOTE

The Constitution mandates that the State shall protect and promote the right of all citizens to quality education at all levels and shall take appropriate steps to make such education accessible to all.

Barangay Landayan, San Pedro, Laguna is an area with a huge number of school-going population where most students cannot continue to study in High School because of budgetary constraints. Most parents are low-income earners who cannot afford to send their children to schools far from their residences. Properly educated children are the only hope of parents in, as well as the neighboring barangays to improve their standard of living.

This Bill seeks to establish a secondary school in Barangay Landayan, San Pedro, Laguna to be known as the Landayan National High School. Early approval of this measure is earnestly sought.
